

**Decoy**

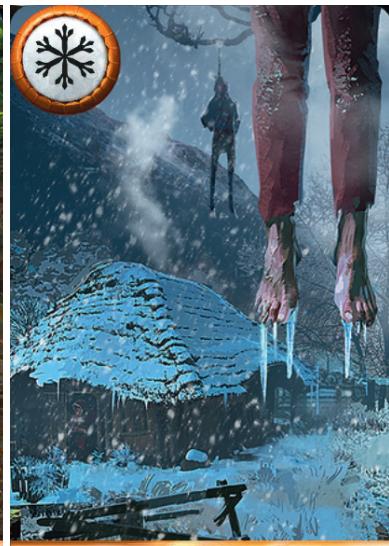

"When you run out of peasants, decoys also make decent arrow fodder."

**Commander's Horn**

"Plus one to morale, minus three to hearing."

**Scorch**

"Pillars of flame turn the mightiest to ash. All others tremble in shock and awe."

**Biting Frost**

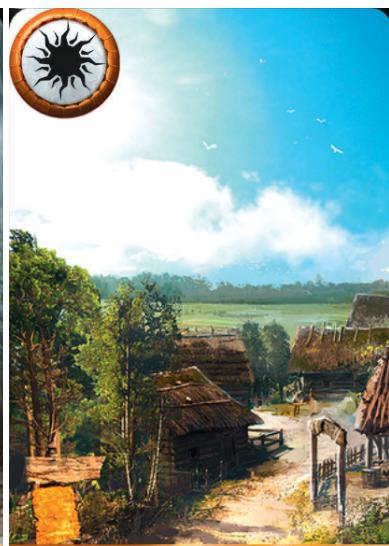

"Best part about frost - bodies of the fallen don't rot so quickly."

**Impenetrable Fog**

"A good commander's dream... a bad one's horror."

**Torrential Rain**

"Even the rain in this land smells like piss."

**Clear Weather**

"The sun's shinin', Dromle! The sun's shinin'! Maybe there's hope left after all..."

**Villentretenmerth**

"Also calls himself Borkh Three Jackdaws... he's not the best at names."

**6****Vesemir**

"If you're to be hanged, ask for water. Anything can happen before they fetch it."

**5****Zoltan Chivay**

"Life without old mates and booze is like a woman without a rump."

**2****Dandelion**

"Dandelion, you're a cynic, a lecher, a whoremonger, a liar - and my best friend."

**6****Earth Elemental**

"How to fight an earth elemental? You don't. You run. Fast as you can."

Fiend

"A fiend looks a bit like a deer. An enormous, evil deer."

Fire Elemental

"Fire is so delightful."

Arachas Behemoth

"Like a cross between a crab, a spider... and a ploughin' mountain."

Crone: Brewess

"We'll cut you up, boy. A fine broth you will make."

Crone: Weavess

"I sense your pain. I see your fear..."

Crone: Whispess

"I'd be your best – and last."

Forktail

"Fork tails... Bah! Fuckers' tails're more like cleavers."

Plague Maiden

"The sick rave about a boil-pocked woman surrounded by herds of rabid rats..."

Griffin

"Griffins like to toy with their prey. Eat 'em alive, piece by piece."

Werewolf

"Wolves aren't as bad as they say. Werewolves, though – they're worse."

Frightener

"What have I done?" the mage cried out, frightened of his own creation.

Ice Giant

"Fled one time in my life. From the Ice Giant. And I'm not a bit ashamed."

Gargoyle

"Ancient sculptors' nightmarish fantasies, brought to life by bored mages."

Celaeno Harpy

"Common harpies feed on carrion. Celaeno harpies... they feed on dreams."

Foglet

"Fog creeps on little cat feet. Foglets creep over the bodies of their victims."

Wyvern

"Imagine a cross between a winged snake and a nightmare. Wyverns are worse."

Nekker

"Damn things are almost cute, if you ignore the whole vicious killer aspect."

Nekker

"Damn things are almost cute, if you ignore the whole vicious killer aspect."

Nekker

"Damn things are almost cute, if you ignore the whole vicious killer aspect."

Ghoul

"If ghouls are part of the Circle of Life... then it's a damn vicious circle."

Ghoul

"If ghouls are part of the Circle of Life... then it's a damn vicious circle."

Ghoul

"If ghouls are part of the Circle of Life... then it's a damn vicious circle."

Black Infantry Archer

"I aim for the knee. Always."

Black Infantry Archer

"I aim for the knee. Always."

Rainfarm

"You'll die as painfully as that pathetic traitor Windhalm did."

Vanhemar

"For a fire mage, he's not very... flamboyant."

Vattier de Rideaux

"There's never been a problem a well-planned assassination couldn't solve."

Morteisen

"No Nordling pikemen or dwarven spearbearers can hope to best trained cavalry."

Rotten Mangonel

"The rotten smell brings back childhood memories"

Puttkammer

"Learned a lot at Braibant Military Academy. How to scrub potatoes, for instance."

Impera Brigade Guard

"The Impera Brigade never surrenders. Ever."

Albrich

"A fireball? Of course. Whatever Your Imperial Majesty wishes."

Sweers

"And hands off the girl! Whatever we may be, we're not savages."

Vreemde

"Discipline is the Empire's deadliest weapon."

Nausicaa Cavalry Rider

"The Emperor will teach the North discipline."

Eolian Auxiliary Archers

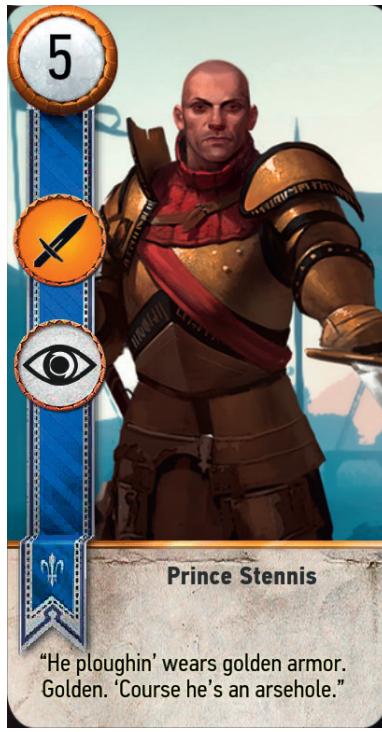

"Double or nothing, aim for his cock."

Sile de Tansarville

"The Lodge lacks humility. Our lust for power may yet be our undoing."

Prince Stennis

"He ploughin' wears golden armor. Golden. 'Course he's an arsehole."

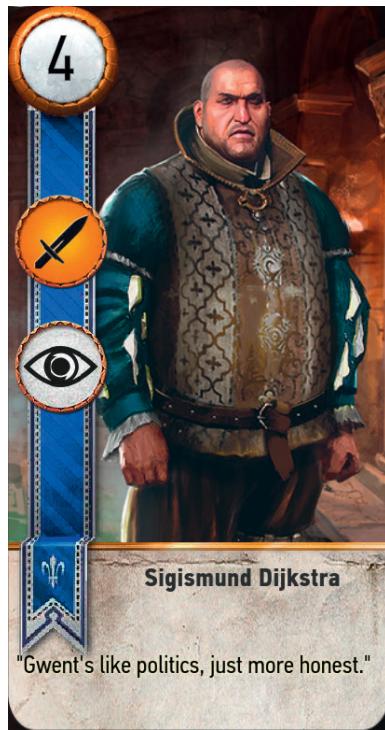

Crinfrid Reavers Dragon Hunter

"Haven't had much luck with monsters of late, so we enlisted."

Dun Banner Medic

"Stitch red to red, white to white, and everything will be all right."

Sigismund Dijkstra

"Gwent's like politics, just more honest."

Sabrina Glevissig

"The Daughter of the Kaedweni Wilderness."

Sheldon Skaggs

"I was there, on the front lines! Right where the fightin' was the thickest!"

Blue Stripes Commando

"I'd do anything for Temeria. Mostly, though, I kill for her."

Yarpen Zigrin

"The world belongs to whoever's best at crackin' skulls and impregnatin' lasses."

Thaler

"Fuck off! We aren't all ploughin' philanderers. Some of us have depth..."

Poor Fucking Infantry

"I'm a war veteran! ... spare me a crown?"

Redanian Foot Soldier

"I've bled for Redania! I've killed for Redania... Dammit, I've even raped for Redania!"

Redanian Foot Soldier

"I've bled for Redania! I've killed for Redania... Dammit, I've even raped for Redania!"

Kaedweni Siege Expert

"You gotta recalibrate the arm by five degrees." "Do what by the what now?"

Kaedweni Siege Expert

"You gotta recalibrate the arm by five degrees." "Do what by the what now?"

Kaedweni Siege Expert

"You gotta recalibrate the arm by five degrees." "Do what by the what now?"

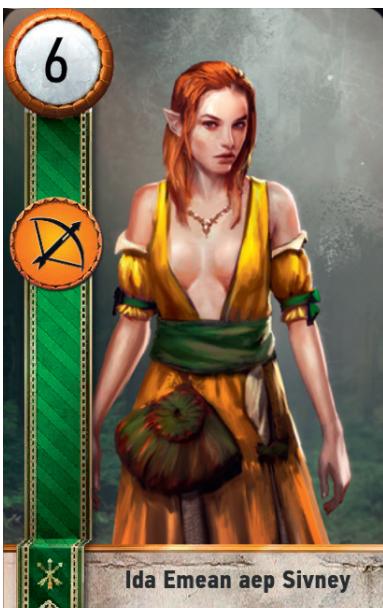

Milva

"With each arrow I loose, I think of my da. He'd be proud. I think."

Dennis Cranmer

"I know how to carry out orders, so you can shove you advice up your coal chute."

Ida Emean aep Sivney

"I am a Sage. My power lies in possessing knowledge. Not sharing it."

Filavandrel aén Fidháil

"Though we are now few and scattered, our hearts burn brighter than ever."

Yaevinn

"We are the drops of rain that together make a ferocious storm."

Barclay Els

"Our mead smells like piss, do it? Easy to fix - I'll break your fuckin' nose!"

Dol Blathanna Scout

"They track like hounds, run like deer and kill like cold-hearted bastards."

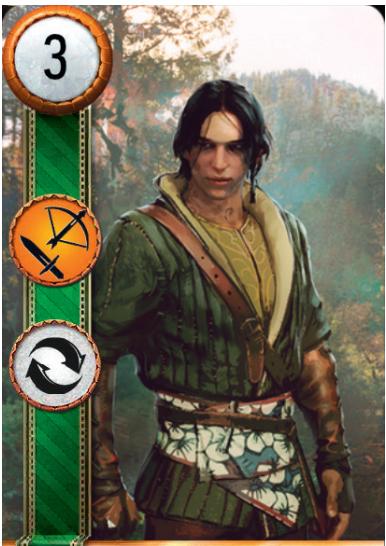

Dol Blathanna Scout

"They track like hounds, run like deer and kill like cold-hearted bastards."

"Take another step, dh'oine. You'd look better with an arrow between your eyes."

"The path to freedom is paved in blood, not ink."

"Worked a pickaxe all me life. Battleaxe won't be any trouble."

"Worked a pickaxe all me life. Battleaxe won't be any trouble."

"Worked a pickaxe all me life. Battleaxe won't be any trouble."

"I'd gladly kill you from up close, stare in your eyes... But you reek, human."

"No matter what you may have heard, elves don't take human scalps. Too much lice."

"No matter what you may have heard, elves don't take human scalps. Too much lice."

"No matter what you may have heard, elves don't take human scalps. Too much lice."

"Stare into their eyes, feast on their terror. Then go in for the kill."

"Sure, I'll patch you up. Gonna cost you, though."

"Sure, I'll patch you up. Gonna cost you, though."

Leshen

"We never hunt in these woods. Not even if it means the whole village starves."

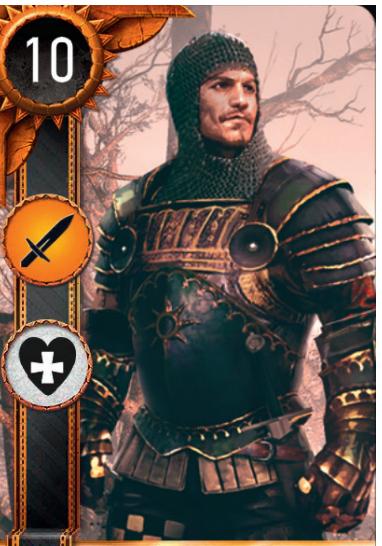

Kayran

"Kill a kayran? Simple. Take your best sword... then sell it and hire a witcher."

Letho of Gulet

"Witchers never die in their beds."

Menno Coehoorn

"I'll take an attentive reconnaissance unit over a fine cavalry brigade any day."

Morvran Voorhis

"Summer sun reflecting in the quiet waters of the Alba - that's Nilfgaard to me."

Tibor Eggebracht

"Alaaaa! Forward!! Alba! Long live the Emperor!"

"A sword is but one of many tools at a ruler's disposal."

"The skies wept when my Pavetta died.
They will not weep for me."

"Your motives do not interest me. Only results."

"They do not call me the Patient. Take care they do not call you the Headless."

"A well-aimed ballista razes not just the enemy's walls, but his morale as well."

"It is natural and beautiful that a man should love his sister."

Foltest
Lord Commander of the North

"Sod advisors and their schemes. I place my trust in my soldiers' blades."

Foltest
the Steel-Forged

"A beautiful day for battle."

Vernon Roche

"A patriot... and a real son of a bitch."

John Natalis

"That square should bear the names of my soldiers, of the dead. Not mine."

Esterad Thyssen

"Like all Thyssen men, he was tall, powerfully built and criminally handsome."

Philippa Eilhart

"Soon the power of kings will wither, and the Lodge shall seize its rightful place."

Francesca Findabair
the Beautiful

"The Elder Races have forgotten more than humans can ever hope to know."

Francesca Findabair
Pureblood Elf

"To live in peace, we first must kill. This is human oppression's cruel finale."

Francesca Findabair
Daisy of the Valley

"Do not let my beauty distract your aim."

Francesca Findabair
Queen of Dol Blathanna

"Ash shall fertilize the soil. By spring, the valley shall bloom once more."

Eithn

"The dryad queen has eyes of molten silver, and a heart of cold-forged steel."

Saesenthesis

"Beautiful, pure, fierce - the perfect icon for a rebellion."

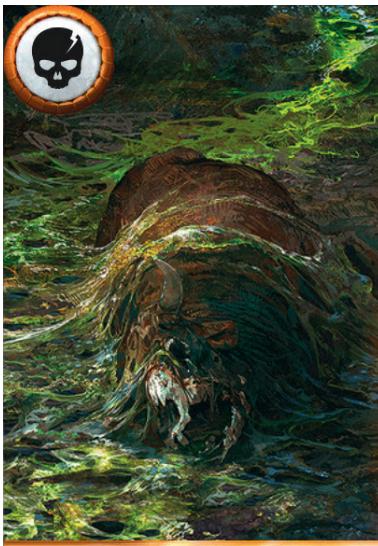

**Decoy**

"When you run out of peasants, decoys also make decent arrow fodder."

**Commander's Horn**

"Plus one to morale, minus three to hearing."

**Scorch**

"Pillars of flame turn the mightiest to ash. All others tremble in shock and awe."

**Biting Frost**

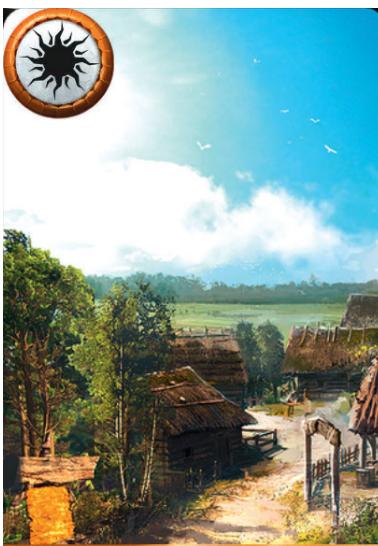

"Best part about frost - bodies of the fallen don't rot so quickly."

**Impenetrable Fog**

"A good commander's dream... a bad one's horror."

**Torrential Rain**

"Even the rain in this land smells like piss."

**Clear Weather**

"The sun's shinin', Dromle! The sun's shinin'! Maybe there's hope left after all..."
